6. The Archipelago recognizes that the "Fire Department" will do the best job possible with each response and that due to the estimated response times to the "Fire Area" the ability and success of the "Fire Department" may be limited.
7. The Archipelago will be responsible for notifying in the manner and to the extent deemed necessary, residents and occupants of the "Fire Area" of the procedures for reporting an emergency and of the service provided by the "Fire Department".

9. The "Fire Department" resources allocated to this agreement shall be the full complement of available "Fire Department" Station 10 and/or Station 40 personnel and equipment (Appendix I) and additional personnel as deemed necessary by the "Fire Chief" from the "Fire Department". The tactics used by the "Fire Department" shall be determined at the sole discretion of the "Fire Chief" or "Designate" operating under the Standard Operational Guidelines of the "Fire Department".
