

Arts on The Bay
presents on August 13th
Carlos del Junco

Come and hear the sophisticated sounds by Carlos del Junco. It is at once sensitive, soulful and sexy while never forgetting the rawness of blues music. You'll never hear harmonica played so well in so many ways. We welcome this Juno Award winner to this year's line up!

"A classy show, a real treat for our friends!"

Social 4:00 pm
